Sen. Tower to speak at Chamber banquet

Headlining the 1971 Hondo Chamber of Commerce Banquet, scheduled for 7:30 p.m. Monday, December 6, in the McDowell School cafeteria, will be U.S. Senator John Tower.

Sen. Tower will deliver the principal speech at the annual event which will also see the presentation of the Outstanding Citizen Award, and the Outstanding Farmer-Rancher of the Medina Valley Soil Conservation District.

This year also will mark the presentation of a special certificate to a citizen who has contributed much to the community over the years. This award is in addition to the plaque presented to the Outstanding Citizen.

Sen. Tower, a former educator, went to the U.S. Senate on June 15, 1961 as the result of a special election, and in 1966 was re-elected by Texans with 56.7 percent of the popular vote. When first elected, he was

the Senate's youngest member, the first Republican elected to the Senate from Texas since 1870 and the first since Reconstruction from any Confederate state. Now, as senior senator from Texas, he ranks 50th in seniority among his colleagues--yet, at 45, only 17 senators are younger than he. Among the Senate's 45 Republicans, he ranks 19th.

He is ranking Republican on the Senate Banking, Housing and Urban Affairs Committee, and third ranking Republican on the Senate Armed Services Committee.

As a member of the Senate Armed Services Committee, Sen. Tower has made several fact-finding trips to South Vietnam.

Program for Monday evening banquet will include: a welcome from President Rene Aelvoet and invocation by the Rev. A. M. Hanne-mann, pastor of St. Paul's Lutheran Church.

Following these two, those attending will enjoy a dinner of pineapple salad, ham, scalloped potatoes, green beans, hot rolls, apple pie and coffee. Prepared by Mrs. Elmer Nietenhoefer and the ladies of the cafeteria, the meal will be served by Future Homemakers of America under the direction of Mrs. Dora Mae Faseler and Mrs. Mable Jones.

Incoming president Newell E. Woolls will introduce the guests and Aelvoet will make the award presentations.

Bruce T. Foster will introduce Sen. Tower for his address.

After the Senator speaks, Aelvoet will introduce the new directors and president for 1972. Woolls will then give the response. Henry Nietenhoefer is vice-president and George Brucks is treasurer.

Newly-elected directors include: Henry M. Finger, Hondo National Bank; Ken-

Pecan Show set for Hondo

More than 100 entries are expected in the second annual Winter Garden Pecan Show slated for Hondo Municipal Building Tuesday and Wednesday, December 7-8.

The big show, drawing entries from pecan growers in Medina, Uvalde, Val Verde, Kinney, Edwards, Zavala, Dimmitt, Frio, LaSalle, Webb and Maverick Counties, also features a

Queen Contest and a Bake Show.

Three Medina County girls are vying for the Queen title and the winner will be announced about 7:30 p.m. on Tuesday. They are Lynda Howard of Devine, Debbie Jones of Devine and Debbie Cheney of D'Hanis.

The contestants are judged on the basis of interest and knowledge about pecans, beauty, poise and personality, and the winner will represent Medina County pecan growers at various functions during the year.

The Pecan Baking show will feature cakes, pies, cookies and novelty dishes containing at least one cup of fresh pecans.

Entries are due at City Hall between 8:30 a.m. and 9 a.m. December 8, and the food will be on exhibit beginning at 1 p.m.

Medina Agriculture Products Company will award a cash prize of \$3 for first place winner; \$2 for second place; \$1 for third place in each category. Ribbons will be awarded other winners.

Holy Cross Church, D'Hanis, will award a handsome engraved silver tray to the entry judged best of show, and a rosette to the reserve best of show, according to Father Victor Schmidtzy.

Pecan entries can be entered until 12 noon Tuesday.

Each entry must consist of 45 nuts from the 1971

Charles Hardy vividly recalls Pearl Harbor

By Yancey Russell

Charles L. Hardy, owner of C. L. Hardy Furniture Store in Devine, feels that there is little pleasure in recalling what happened to him on the day of infamy at Pearl Harbor on Sunday morning, December 7, 1941.

On that day 30 years ago, he was Pfc. Hardy, U.S. Marine Corps, manning an anti-aircraft gun station high in the secondary aft of the USS Arizona.

He has told the story of ten ... so often that he is reluctant to repeat it again. But he always has been

thankful that he is one of the few who lived to come back from the flaming death which took the lives of so many that day.

Confusion was rampant that morning aboard the battle wagon as the Jap war planes staged the surprise attack upon the U.S. fleet.

As he climbed the ladder to his station, Hardy saw the death-dealing armada sweeping in over the battleships tied up along Ford Island.

He and his buddy watched and waited in vain for ammunition which didn't come, as fire spread swiftly along

Santa Claus due Saturday

Say, kiddos, Saturday is the big day for you--that fat man from Jolly land, Santa Claus, is coming to town.

The white-bearded ho-ho-ho bearer of good tidings and gifts will arrive by big red fire truck at the Hondo City Municipal building at 9 a.m. Saturday.

He is expected to park his sleigh and reindeer at a secret spot outside of town and be picked up there by the Hondo Volunteer Fire Department and escorted to downtown.

Santa invites all young boys and girls to come and "tell him what they want for Christmas". And at the same time he will distribute bags of candy.

He will be in Hondo until 11 a.m. and wants every youngster who comes out to receive a bag of candy. "Ho, ho, ho," he wrote from the North Pole. "Please tell the boys and girls to come through the line only one time so that everybody can have some candy. I don't want anyone left out."

KEBO LIGON HEADS FOR TD ... scores two against Needville

In Quarter-finals

Owls face tough Refugio Bobcats

If the Hondo Owls really want to present Coach Nelson Bippert a "Holmes-coming" gift they couldn't find a better time than Friday night when they challenge the de-

fending State-AA champion Refugio Bobcats in that all important quarter-finals battle.

Battle action, thanks to a win of the flip, unfurls at 8

p.m. Friday night at Northside Stadium in San Antonio. And this is the home stadium for Holmes High School where Coach Bippert coached previously.

"But a win would mean more than that to all of us," said the quiet-spoken Hondo coach, who in three years has seen his teams win district twice and share in the third. "Our boys deserve a win the way they have been playing, and if they play ball like they did against Needville, Refugio will certainly know we are in the stadium."

In other words, what the coach is saying is "the Owls will be in there doing battle."

And from all indications they will have several thousand fans on hand to whoop and holler them to victory. The initial batch of 1500 reserved seats were sold out early Tuesday morning and another 1500 were ordered immediately.

Lest the fans misunderstood the coach, he did emphasize that Refugio has a fine football team. "They can beat you more ways than you can shake a stick at," Coach Bippert said. "All of their players are equally dangerous and statistics will prove they can run on you, pass on you and score on you. And then when you get the ball they can stop you cold."

Statistics referred to by Bippert include something like 11 games including last week's 42-0 romp over Pre-mont for the Regional title. (Refugio stats first):

First downs--204-81;
Yards Rushing--2998-996;
Yards Passing--1426-581;
Total Offense--4404-1577.

The Bobcats have attempted 224 passes and completed 104 of them for less than a 50 percent average. They have intercepted 12 aeriels and given up 10 interceptions.

Refugio can lose the ball on fumbles. In fact during the year they have fumbled 45 times and lost 28 of them to the opposition. But they have picked up 21 loose balls.

In the kicking game they have punted 30 times for 1009 yards, or a 33.6 yard average.

"The Bobcats rely on size, speed and experience," Bippert said. "They have four backs who have rushed in triple figures, and most of them are good pass receivers also. They operate basically from a straight T but use many variations."

Bippert was speaking of

WE HOPE

... Doc Taylor is a little off on his prediction that it is going to rain this week. Not on the fact of rain, mind you. Just on the timing.

However, the weather wise doctor says the full of the moon will bring on the moisture--"not a lot" he vows--.

The moon will be full at 1:48 a.m. Thursday (that's today), and Doc says there is a chance--not big--of rain 24 to 36 hours fore or aft.

With the Hondo Owls meeting the Refugio Bobcats Friday night in Northside Stadium in San Antonio, I sure hope Doc's prediction came on the fore side of today--and lets the aft alone.

REFUGIO

... was once a hometown of mine and had it not been several moons ago, I might view the Friday night quarter-final clash with mixed emotions. But it can't be--for I am a stronger than strong Owl fan these days.

Monday morning I conversed via Ma Bell with Refugio Coach Teddy Gray, who would not brag on his boys. He said they "Pull together and get in there and fight."

Of course, Teddy is being a little modest, and that's an understatement. Facts and figures will prove that. The Owls will be battling a defending State Champion eleven that has intentions of repeating. And it should be a good scrape.

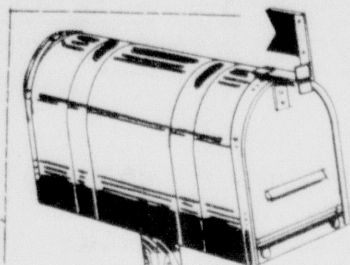

HOLIDAY TIME

... treated the Lawrences to a fast five days in California to visit my better-half's family. And we did have a good time eating, talking, riding, seeing and soaking up the fine California weather--and it was fine this year. So now those wonderful times are just a memory--and as we dream of a repeat someday, about all I can actually say is "thanks to my in-laws for their excellent hospitality." I'm sure I'll be carrying it around as extra weight for some time to come.

A CHECK

... at the Hondo Chamber of Commerce has Harry Filleman and Lillian Porter somewhat baffled. In the amount of \$18.00

Letters from the mailbox

Dear Mr. Lawrence,

I would like to give a fourth grader of Mayer Elementary School credit for a good deed.

On Wednesday morning, November 24, I was on my way to work, rushing as usual. When I arrived and started to get out of the car, I noticed I had lost my watch. I knew I had laid it on my lap when I had gotten in the car.

When I got to Mrs. Elyne Koch's, I got out to let the children out and it had fallen out. I called Mrs. Koch's house, but by this time it was already gone.

I then decided since there are so many children who use that street to go to school, that I would call Mr. Woolls

and ask him if he could send a note around to the classes, asking the children if possibly one of them had found it.

Upon calling the school, I found out that Margie Geuea, daughter of George and Ellen Geuea had found the watch on the way to school and had turned it in to her teacher, who sent her to the office with it.

I respect this little girl for turning it in and I believe there has never been a happier person, than I was that day.

I certainly appreciate her honesty and felt I should share this experience with others.

Thanking you,
Mrs. Harold Lutz

Dear Santa,

I would like a pistol dart gun, and a rifle dart gun, a large street roller, also a back hoe and end loader, Michigan shovel, dump truck, bulldozer, twister animal circus, Big "H", sportsman, fire dept., Skittle pool.

Thank you,

We thank you for your membership and for the opportunity it gives all of us to help in building a monument to the settlers of Medina County. Do come by and see what has been accomplished in less than two years. The Museum is open Saturday 10 'til 12 and 1 'til 5, Sunday 1 'til 5.

The Board meets at 7:30 the first Monday of each month, except December, 1971, at the Medina Electric Co-op Building in Hondo. All members are welcome. Circle the first weekend in May for "Museum Day '72".

Brake law passed

NEW TEXAS BRAKE LAW:

Changes in the Brake Law, beginning January 1, 1972, have caused much confusion in the minds of farmers, ranchers, sportsmen and truckers during the last few months. Many citizens want to "up-date" their vehicles and it has been most difficult to determine exactly what modifications are necessary to comply with the law.

I have asked Colonel Wilson E. Speir, Director of the Texas Department of Public Safety, to send an official from his Department to the South Texas area for the purpose of answering questions from interested parties and to explain the provisions of the law that will be effective as of January 1, 1972. The briefing will be held at the wishing Well Club in Pearsall on December 14th, 1971 at 6:30 p.m. There will be no charge for admission and anyone interested, whether

farmer, rancher, sportsman, or trucker, is welcome to attend.

The discussion will cover items such as: boat trailers, signal and clearance lights, small and large livestock trailers and towing vehicles.

Drug Education Statewide

"Drug Education—Statewide" was one of 12 discussion topics at the 48th annual conference of the Texas Association of Secondary School Principals October 10-12 in Galveston.

Key suggestions and ideas coming from three discussion groups included these:

- Texas educators should give priority attention to the drug abuse problem. The main hope lies in education and prevention.
- They should not hesitate to seek assistance from (1) the drug abuse education coordinator in the nearest Regional Education Service Center, (2) Division of Drug Education, TEA, and (3) State Program on Drug Abuse, P. O. Box 13166, Austin 78711.

- Staff training should be provided for all school personnel, including secretaries, who have contact with students; particularly those directly involved in the drug education program. Most effective are those who have best rapport with students.

- Providing information is not synonymous with providing education. A goal of education should be to help individuals learn to live. Revitalizing curricula and willingness to depart from traditional teaching procedures are essential.

- Providing information which is not totally honest and free from distortions or exaggerations usually does more harm than good. Students should be asked to help evaluate materials, especially by commercial firms.

- Involvement of students themselves offers perhaps the best hope for reaching other youngsters and directing them away from drugs. "Rap sessions" should be encouraged. Students should be challenged to try to develop a counter peer pressure; one that suggests that avoiding drug use is the "in thing."

- Youngsters involved with drugs often lack self respect and identity; many of them have family problems. Efforts should be made to deal with these difficulties and to provide wholesome alternatives.

- The drug problem is a community problem. School personnel should participate in efforts to organize and coordinate resources of the community to deal with it. School people can take a leading role, but schools cannot go it alone.

Col. Shaw awarded Bronze Star medal

It took a little time, but the Bronze Star award he earned in Vietnam finally caught up with Lt. Col. Ronald G. Shaw, a Maintenance deputy chief at Kelly AFB and the husband of a former Hondo woman.

Col. Shaw distinguished himself as Maintenance Control officer of the 12th Tactical Fighter Wing, and as commander of the 12th Field Maintenance Squadron at Phu Cat Air Base, Vietnam. The award covered the period from Sept. 9, 1970 to Aug. 31, 1971.

Col. Shaw was cited for exposure to hostile rocket and mortar attacks while planning, scheduling and controlling all maintenance on wing-assigned aircraft.

Col. and Mrs. Shaw and their children, Karen, Cindy, Linda, Michael and Stephen live in San Antonio. Mrs. Shaw is the former Dorothy Jean Braden of Hondo, daughter of Mr. and Mrs. G. O. Braden. Col. Shaw's parents, Mr. and Mrs. Paul W. Shaw, live in Annapolis, Maryland.

Bruce T. Foster to head Range Management

The Texas Section of the Society for Range Management will hold their annual State meeting in San Antonio December 3 and 4, 1971, according to Joe Norris, president of the State organization.

A 500-member organization, the Texas Section is composed of ranchers, conservation contractors and professional people from universities, research institutions, Soil Conservation Service and Texas Agricultural Extension Service.

Bruce T. Foster of Hondo will take over the reins of the presidency at the Friday night installation.

Keynote address will be given by Francis T. Cobert, Executive Secretary of the Society of Range Management, headquartered in Denver, Colorado.

Theme for this annual meeting will be "Diversification on Texas Rangelands". Topics to be presented by outstanding speakers include: "Trends in Livestock Grassland Management," "Trends in Wildlife and Recreation," and "Urban Influences."

An awards buffet is scheduled for noon Friday, December 3, followed by the annual banquet Friday night. All meetings will be held in the Gunter Hotel. The Friday night banquet will be held at the Villa Fontana in Hemis Fair Plaza.

The Society for Range Management, an international organization, has members in Mexico, Canada, Africa and the United States.

Texas rangelands cover over 85 million acres where the cattle industry still is the

largest segment of the agricultural economy. The objective of the Society of Range Management is to inform its members of new research and developments that deal with improving our native grasslands. This important and large natural resource is the home of most of the wildlife in Texas.

The general public is invited to attend this annual meeting and registration starts 7:30 a.m. Friday, Dec. 3.

AIRPLANE HIJACKING

. . . is a passing vogue, I hope. We were lucky to get to California and back without detouring to Havana, and I don't care what anyone says, it is a relief to feel the wheels of those big jets touch down at your destination without any kind of incident.

I read and am told that heavy surveillance offers protection, but I'll be darned if I could see that much "watching" on going or coming. But anyway we made it home safe and I, for one, was more than happy.

A SPECIAL FOOTBALL

. . . section is in the mill at the Anvil Herald. It will be published the week following the Owls' final game of the year (and we join all fans in hoping that means the week after the state finals).

The tabloid section will be printed in school colors, blue and white, and will contain summaries of each game in 1971 with as many action pictures as possible.

Other features will be a history of Owl football since 1927 and other information that will help make the section a momento for local football fans for years to come.

We will be contacting businesses and individuals for advertisements in the section. These contacts will be made Thursday (today) and Friday. Anyone wishing to be included in the section might call 426-3346 for information on how to do so.

the wooden decks below.

As the flames leaped skyward over the ladder to block their only escape, there was no alternative but to abandon their station.

Other anti-aircraft gun crews started jumping to the deck about 55 feet below. Hardy and his buddy made the decision to follow suit.

His buddy jumped first and luckily was uninjured. Hardy took the leap just as an explosion rocked the deck.

"Fracturing my pelvis, knees and ankles when I hit, I sat on the deck watching the officer of the deck and the confusion," he recalled.

The flaming ship was being abandoned as his buddy jumped over the side, and Hardy managed to lower himself to a torpedo blister three feet wide and from there into the water to swim for his life.

"Although too crippled to walk, I found that I could swim, so I set my sights toward the 300 yards or so to Ford Island and started out.

"I thought I was in luck when a motorboat came along about 50 feet from the ship, and slowed down so the engineman could drag me into the boat . . . but I was too weak to assist."

By this time, Jap planes were strafing the harbor, and the coxswain gave the order to cast off for full speed ahead.

Hardy pushed himself away as the boat took off, and was caught in the swirl of the propeller, from which he received a slight scratch on the nose.

Lifting bottom and pushing back up for air, he looked around and found that he was further away from the beach, but nearer to a boat pier.

Quarterback Randy Knox, 210, who has rushed for 261 yards and caught nine passes for 70 yards. He also has completed 72 of 148 passes for 1011 yards and 13 TD's.

Bippert also included: Carl Green, 843 yards rushing (also 205 yards and 4 TD's on pass receptions); Larry Bonner, 822 yards (also 283 on pass receptions and one tally); Glynn Jones, 501 yards. End David Heard has caught 28 passes for 432 yards and five touchdowns.

The Owls will give away a hunk of weight on both offense and defense. Refugio boasts a defensive starting lineup of 185 per man, or about 25 pounds per man over the Owls' 160 pound per offensive team. On offense the Bobcats average 179 per man as compared to Hondo's 163 defensive team.

Tackle Sonny Elliott, at 245, tops the Bobcat line, but is pushed hard by John Powell, nose man, at 240. On the offensive line Jeb Bauer weighs in at 210 at left tackle and right tackle Hector Garza weighs 205. Quarterback Randy Knox plays at a hefty 210 pounds; Carl Green weighs 160; Larry Bonner weighs 140; Glynn Jones weighs 180.

But before these statistics and weights scare Owl fans, look at some Hondo figures.

First Hondo has scored 333 points while allowing 12 opponents 92 points.

Hondo's big Kebo Ligon has crunched off 1242 yards in 12 games, while teammate Johnny Abrego has ground out 603 yards. Lonnie Knowles has 182 and Mark Buescher has 177. Tom Hill has gained 52 and Faron Helvey 37. With other smaller yardage records this adds up to a total of 2499 yards on the ground.

In the air, the Owls have been rather conservative all year, but Tom Hill has

thrown 95 and completed 46 (slightly less than 50 percent) for 833 yards and seven touchdowns. He has been intercepted six times. Hondo has gained a total of 907 yards through the air.

Eric Grant leads in the receiving, having caught 13 passes for 441 yards. Close behind is Faron Helvey with 13 catches and 246 yards. Others snagging Hondo aerials have been: Terry Machler, 14-193; Tomas Barrios, 5-54; Robert Blackshear, 1-11; Lonnie Knowles, 1-8; Kebo Ligon, 2-18; James Batteau, 1-26.

Offensively, the Bobcats will probably start: LE David Heard (84), 175; LT Jeb Bauer (74), 210; LG Kenneth Claybrook (61), 175; C Randy Stuart (56), 175; RG James Haney (65), 175; RT Hector Garza (78), 205; RE John

Parish (82), 160; QB Randy Knox (12), 210; LH Carl Green (24), 160; RH Larry Bonner (22), 140; and FB Blynn Jones (30), 180.

On defense their probable starting lineup will include: LE David Heard; LT Mead Upton (70), 195; Noseman John Powell (75), 240; RT Sonny Elliott (72), 245; RE Loyd Green (23), 180; Left Linebacker Larry Stallings (32), 185; Right Linebacker Bobby Adams (54), 210; Left Cornerback Larry Bonner (22), 140; Right Cornerback Roy Booker (40), 170; LHB Terry Bellows (26), 135; and RHB Carl Green.

50th wedding anniversary observed by the Emil Riffs

Mr. and Mrs. Emil Riff observed their 50th wedding anniversary on November 28, 1971. A reception hosted by their children was held at the New Fountain Methodist Church from 3-5 p.m.

Mr. and Mrs. Riff are natives of Medina County and have lived here all of their lives. They are the parents of three children: Mrs. Roland (Eugenia) Clement of Garner, Iowa; and James Riff and Mrs. Joe (Ethel) Martin of Hondo.

The refreshment table was covered with a gold-colored cloth and the centerpiece was a large arrangement of golden-hued mums.

Alternating in serving were their granddaughters, Betty and Joan Clement and Lee Anne Riff Dodson. Also assisting in serving were Mrs. Bob O'Day, Emmitt Beard, Glenn Schweers, V. H. Neumann, Emil Wisakowsky, Jr. and William White.

Mrs. Riff and Mrs. William

Glaeser, her attendant at their wedding, wore orchid corsages which were a gift from a nephew and wife, Mr. and Mrs. Emil Eisakowsky, Jr. Orchid corsages were also given to the daughters and daughter-in-law, sisters and sisters-in-law and those who served. All of the grandchildren were identifying flowers.

Among several mementos of 50 years ago that were displayed, was a piece of wedding cake served at the wedding on November 24, 1921.

Ninety guests registered in the guest book.

Out-of-town guests were Mr. and Mrs. Leo Schweers of Del Rio, Mr. and Mrs. William Glaeser of Austin, Mr. and Mrs. Adam Fruge of Houston, Mrs. Bob O'Day of Snyder, Mrs. Ed Brewer and Kristi Lu of Dallas and Mrs. Alfred Mumme of Center Point.

Also, Mrs. S. H. Saathoff, Norvel Saathoff, Mr. and Mrs. Joe Arms, Mr. and Mrs. Emil Wisakowsky, Sr., Mr. and Mrs. Emil Wisakowsky, Jr., Mr. and Mrs. Donald O'Connor and Robin, Mrs. Jessie Stephens, Mr. and Mrs. Russell Weber and family, Mr. and Mrs. Richard Weber and Susan, all of San Antonio.

Others present were Mr. and Mrs. Roland Clement and their children, Gary, Betty, Joan, Neal, Spencer, Stuart and Muriel of Garner, Iowa.

Barbecue honors the Eugene Byers

Mr. and Mrs. Olen Weimers honored Mr. and Mrs. Eugene Byers and Sharon of Jacksonville, Illinois, with a barbecue dinner on Sunday.

Others who enjoyed the day were Mr. and Mrs. Allen Shuler, Deanne and Tara, Mr. and Mrs. Emil Gavelick, Steven, Donald, Cindy, and Sandy, and Mrs. Margie Coyke, Kory and Kim, all of San Antonio; Mr. and Mrs. Herman Gerdes, Mr. and Mrs. Arthur Schulte, Mr. and Mrs. W. R. Schulte and Monica, Mrs. Bertha Thomas, Mrs. Minnie Schweers and Mr. and Mrs. Alfred Saathoff.

The Wayne Pattersons honored at barbecue

Mr. and Mrs. L. F. Hester of San Antonio honored Mr. and Mrs. Wayne Patterson and son, Jess, of Depew, Oklahoma with a barbecue at the Hondo City Park on Sunday, November 28.

Others present were Mr. and Mrs. Ray Highsmith, Lisa and Monte, Mr. and Mrs. Gene Barber and Michael of San Antonio, Mr. and Mrs. Milton Highsmith and Claude of D'Haris, Mr. and Mrs. Donald S. Koch and daughters, Kelli, Lori, Cindy and Christi of Abilene, Mr. and Mrs. Charles Koch, Diane, Nancy, Tony, Paul and David and Jerry Guldery of Brackettville, Mr. and Mrs. R. J. Koch, Suzie and Donna of Corpus Christi, Mr. and Mrs. Eddie Heilig of Waco, Mr. and Mrs. Floyd Koch and Mr. and Mrs. Gaylon Boubel and Brett Lasha.

Youth at work

Young people at Yancey don't mind working. And they proved it last Friday and Saturday when they gathered to clean up the Yancey Cemetery. Friday they cut grass and hoed, but Saturday the hard work of cleaning up brush was accomplished. Those taking part in the work over the two days included: Andrew Ontiveros, Fidencio Garcia, Emilio Carrillo, Pedro Garcia, Jose Soliz, Armando Soliz, Florentino Garcia, Clemencia Garcia, Olga Soliz, Estella Gonzales, Lucy Moncada, Sostenes Garcia Gonzales and Steve Jasso. Mrs. Jesusa Soliz furnished snacks for the young workers. Some of them gathered for this picture by Tony Mendoza.

Mr. & Mrs. A.C. Gilliam celebrate golden wedding anniversary

Mr. and Mrs. A. C. Gilliam were honored on their 50th wedding anniversary with an open house in the home of Mr. and Mrs. Marcellus Garrison on Sunday, Nov. 24.

Mr. and Mrs. Gilliam were married Nov. 24, 1921 at the Methodist Church in Hondo. Three of the original wedding party were present for the open house -- Mrs. Evelyn Lacy Amberson, Eagle Pass; Mrs. Panchita Gilliam Thomson, Lakehills; and Earl Lacy, Hondo. Also in attendance was Mr. Gilliam's brother, Charles of Altadena, California.

Registering the 170 guests were Miss Vickie Gilliam and Rennie Lee Gilliam, granddaughters of the honored couple. At the guest register were the original portraits exchanged by the bride and groom prior to their marriage.

Serving punch, coffee, cake and sandwiches were granddaughters, Miss Cora Gilliam, Miss Marcy Garrison and Mrs. Olin Gilliam.

The serving table was decorated with a lovely ar-

Social Security

Social security disability beneficiaries should remain alert to their reporting obligations, Roy L. Swift, district manager of the San Antonio social security office said today.

Each disabled beneficiary, or the person who receives his social security checks for him, is obligated to notify his social security office when he returns to work. An immediate report may save some hardships later.

He should report when his medical condition improves or if he has been released from a hospital. These conditions do not always mean that the social security checks will be discontinued. However, if a determination is made later that they should have been stopped, a late report would mean an over-payment.

If the worker begins receiving workmen's compensation after he applied for social security disability benefits, this should be reported right away. Workmen's compensation may cause a reduction in the social security checks. If so, it likely will be easier to have the reduction by the month rather than for several months at one time.

Then finally, if the worker or any other member of his family who is receiving social security checks should change his mailing address, be sure to notify the social security office, so the next check will come to the right place.

For further information, see your social security representative when he is in your area. Your representative will be in Hondo at the Council Chamber City Hall at 8:45 a.m. on Monday, December 8th.

Arrangement of gold chrysanthemums. Throughout the house were many beautiful flowers in shades of gold which were remembrances by friends.

The many friends and relatives who came from Hondo and surrounding area made this a joyous and happy time for everyone.

Hosts for the occasion were Mr. and Mrs. Gilliam's children, Mr. and Mrs. H. F. Herring, Mr. and Mrs. Ralph Gilliam, Mr. and Mrs. Odie Gilliam and Mr. and Mrs.

Marcellus Garrison. Also assisting were ten of the couple's 14 grandchildren.

Out-of-town guests were Mrs. John Randle, Mr. and Mrs. Ray Brehm and Allen of New Orleans, La.; Mr. and Mrs. T. C. Mercer and Mr. and Mrs. Raymond Geisick of New Braunfels; Mrs. Tom Gilliam, Mr. and Mrs. Yancey Barnhart and Mr. and Mrs. Earl Howard of Pearsall; and Mr. and Mrs. Franklin Bless, Mr. and Mrs. Bill Tassos and Pete Tassos of San Antonio.

Linda Bader is bride of Robert Fohn

Miss Linda Francis Bader became the bride of Robert Charles Fohn in St. John's Catholic Church on Saturday afternoon, November 27, 1971. Performing the ceremony were Rev. George Steubben and Rev. A. M. Hainemann.

Parents of the couple are Mr. and Mrs. Fred Bader and Mr. and Mrs. Joe M. Fohn, all of Hondo.

Given in marriage by her father, the bride wore a gown of candlelight peau de sole featuring a high waist and standing collar. The bodice was laced with tiny seed

pearls and clusters of pearl flowers, as were the cuffs of her full-length sleeves. Her headpiece of matching pearls and flowers held her fingertip veil of illusion. She carried a bouquet of pink and white sweetheart roses with touches of gamet and baby's breath.

Maid of honor was Miss Ann Gay Jones. Bridesmaids were Misses Kathy Graff, Ellen Rothe and Anne Seifert. Lisa Beasley of Kingsville was flower girl and Scott Bader was ring bearer.

Serving as best man was Tommy Wilson. Groomsmen were Fred Schaeffling, Jay Sturm and Bobby Bader. Candelighters were Garland Bader and David Fohn. Ushers were David Schmidt, Jon and Fred Bader, Jr.

The bridesmaids and flower girl wore identical floor-length princess style dresses of deep rose pink with rows of box pleated ruffles around the hemline. They carried small nosegays of pink and white sweetheart roses.

Organist was Mrs. Elmer Joe Leinweber. Henry Martin Finger, soloist, sang "Because".

The reception followed in St. John's Hall.

The couple is now making their home in Lubbock where the groom is enrolled at Texas Tech.

That's all she wrote

by Edna McDade

The old calendar is getting around to going home time so this will be the last of the foreign dispatches for this trip. How eight weeks could pass so quickly, I'll never know, and I have an inventory of many pleasant memories to fall back on for added enjoyment. Sort of a fringe benefit.

Except for our ANVIL HERALD, I have not read a Texas newspaper since I left so I don't know how the over-stock of presidential potentials is faring press-wise there.

PETE PEDROZA, known better as our Mr. Business Machine Man, might like to know that typewriter "ribbings" are big business these days for reporters in the city dailies. One man's favorite is another man's a-thousand-times-no candidate. Makes for thought provoking reading, if one can manage to concentrate on the importance of making his own choice without getting too provoked!

I don't know how many goats are raised in Medina County but I'll pass along this bit of incidental intelligence gained from newspaper reading. The reporter had to add "No kiddin'!"

An Italian farmer who lives in Canada has 130 goats on his Ontario farm, which he raises for meat. For added income, he rents goats as grass cutters and collects \$5 per day per goat. His wife makes and sells goats' milk cheese at \$5 per wheel.

Goat meat and cheese are big items among Italian families for festive meals at Christmas as Easter, said the story.

Not ba-a-ad, maybe, but I'll stick with turkey and ham and other traditional favorites on our side of the Niagara River.

Hondo buyers must have had wonderful "sailing" weather while I was away. When the paper came last week, it was so big I thought WINNIE BRADEN might have mailed me two!

I hope some of you found enough bargains to make up for those I had to miss and that our hometown merchants had to keep their cash registers working overtime to total the sales.

A general store in the frontier area where I was visiting has ads in several of the community papers. A tag line often reads, "Thanks for reading us and we hope we're coming in loud and clear. We know that, if we don't tell you, we can't sell you!"

Not a bad line of reasoning, is it?

A pat-on-the-back for JAMES OVERSTREET is long over due and here it is: Isn't he doing a fine job of news pictures for our ANVIL HERALD readers?

Sometime, while I wasn't even looking, probably, James took over where his big brother left off on the camera detail but CHARLES might have helped by setting a good example.

Anyway, if one picture is worth the traditional 10,000 words as the Orientals say, James has a lot of vocabulary to his credit.

And, if CHARLES, Sr., and CAROLYN want to chime in on the applause, I'd say they're entitled to do so.

I hope many--or at least some--of you have been saving up bits of stories to tell me for use in this space. I have missed the "hot line" service.

Sometimes my typewriter seems to lack terminal facilities and then, again, the sheets I insert to begin "THAT'S ALL..." each week can present lots of white space to fill before deadline.

If you've forgotten, my phone number is 426-3139.

Definitions of old age aren't all sob stories. Maybe you'll agree that this one merits a thought: "Old age is when it takes longer to rest than it does to get tired."

So... who's tired already?

News & Clues about carpets & rugs

BY BARBARA FOWLER
Medina County Home
Demonstration Agent

CLUES TO CARPET QUALITY

Carpets and rugs are usually long-term investments, so proper selection can save both money and disappointment. The wise consumer masters pertinent facts about fibers, construction, and other quality indicators, then turns to a reputable retailer who stocks carpets and rugs from brand-name manufacturers.

Carpet and rug prices are determined by two things: the basic materials used and the care and artistry employed in putting the materials together. The more of either of these elements going into a carpet, the higher the price. If the price is to be out, something must be left out.

Understanding carpet construction is the key to spotting differences in carpeting. Carpeting is made in a series of layers. The top layer is referred to as the pile. Below it is the primary backing, to which the pile is attached by stitching, weaving, needlepunching or knitting. A secondary backing, recommended with all tufted carpets, is the last layer. Latex, applied between the two backing layers, also locks the individual fibers to prevent pulling out.

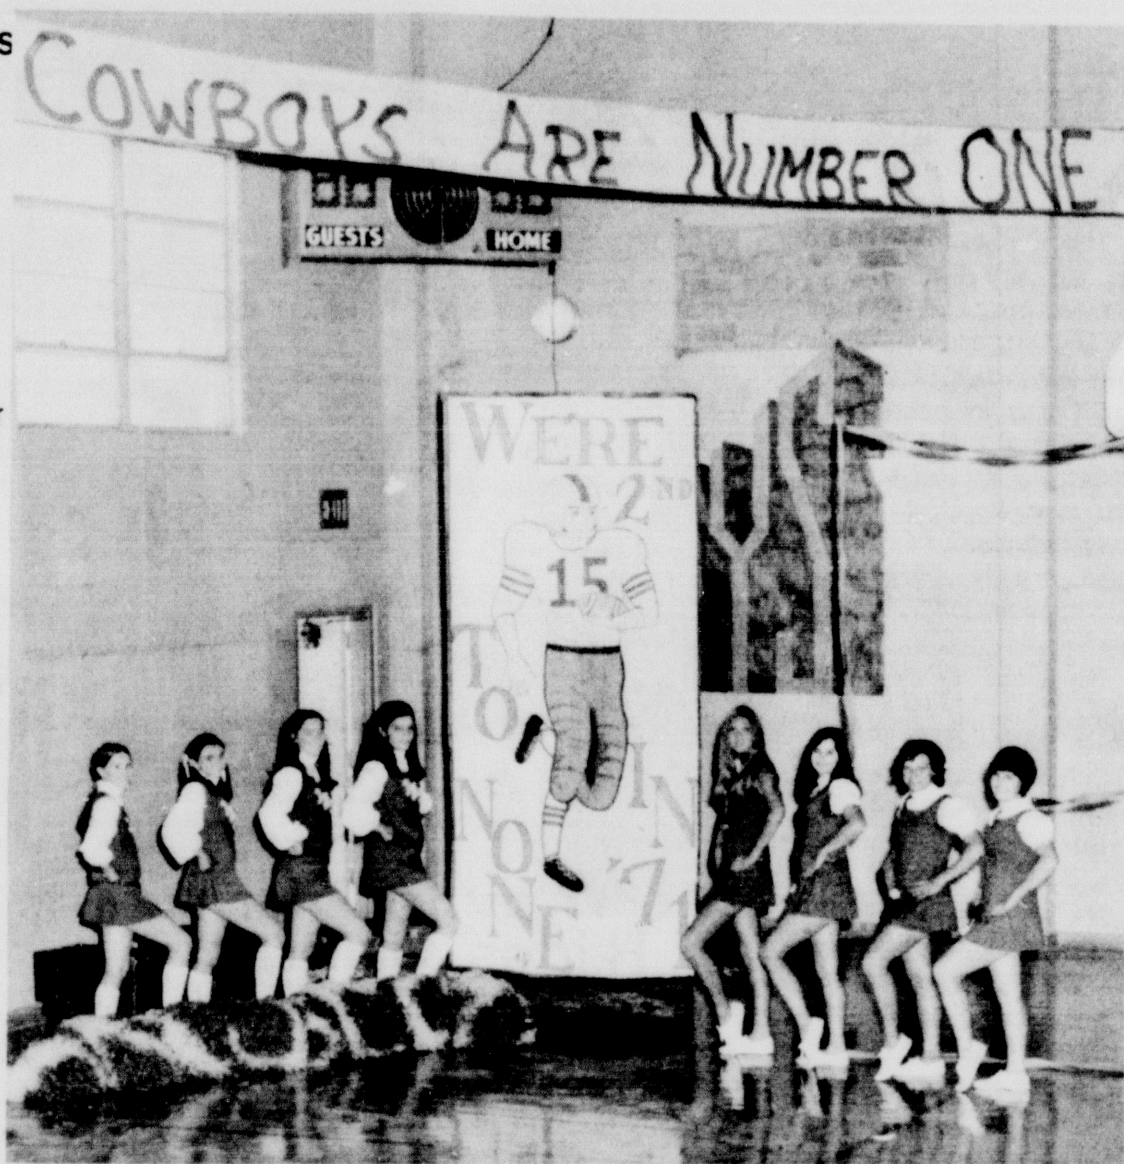

Each part of the rug or carpet fills a definite function. The carpet pile gives a feeling of luxury underfoot and provides the appearance features needed to complement room decor. The feeling of underfoot luxury as well as wearability, is determined by the height of the pile and the density or closeness of the tufts. The balance between these two factors affect the ability of the pile to remain on end in heavy use. The shorter the pile height, the closer together the rows must be spaced to do the job. When the rows are too far apart, the tufts tend to lay on their sides. As a result, surface texture effects are destroyed and the tendency to mat increases.

Consumers can compare carpeting for pile density by a simple in-the-store test. Fold a sample of the carpeting double so the backing between the rows of pile is exposed. Where the pile is spaced very close together only a small amount of backing shows. Avoid pieces that reveal large areas of the backing.

For additional information on selecting carpets, rugs and other floor covering materials, contact Mrs. Barbara Fowler, County Home Demonstration Agent.

Hides wanted

James Honig and Darwin Schrader hold one of the many deer hides collected by the Hondo Young Farmers from deer hunters in the Hondo area. Hunters who wish to donate their deer hides may leave them at the collection box located at Honig Welding Shop on U.S. Highway 90 East. These hides are salted to preserve them and then sold with the proceeds going for the support of community activities carried out by the Hondo Young Farmer Chapter. Other members of the Deer Hide Committee are Rothe Martin, Larry Oefinger, Floyd Saathoff and J. D. Schmidt.

Pearl Harbor

On December 7, 1941, Pearl Harbor Day, 83 Texans were among the 1,177 men who died aboard the USS Arizona. On the 30th anniversary of that day, the dead will be remembered with a special ceremony at the awe-inspiring USS Arizona Memorial, which Sam Kinch, Sr. describes as a "Texas Star" article Sunday.

Another Sunday feature, "Foreign Fun Next Door," tells of the delightful experiences awaiting visitors to Mexico, Atlantic and Pacific oceans, mountains and seashores, sunlight and shadow--you can take your choice of attractions in the nearby foreign land, with John Moore as your guide.

Sheri Jones is a Rising Star -- a teen-ager who holds a pilot's license, she has been flying ever since she can remember. But her ambition is in the other direction; she is thinking about a career in oceanography. Cherie Hopkins presents the story of this exceptional Athens girl.

Parents Stamp Out Drug Abuse With Facts

By Jerry Williamson
Chief Of Police
City of Hondo

Today's Subject: Let's Get Serious

Many parents, and other people for that matter, are really and truly interested in helping stamp out drug abuse. Frequently they will ask someone from this department, "how can I be of service in the war on drugs . . . what can I do to help?"

It is one thing to help fight the drug problem by teaching your own children the facts about drugs, but this is not the entire battlefront. One very important part of the battle which law enforcement departments need help with is . . . FINDING THE "PUSHERS." (A "pusher" as you know is one who sells drugs illegally on the street market). There is no way of knowing how many pushers are operating in any given area, nor how many pushers there are in the country, but it is safe to say there is a pusher within a short driving distance of just about every community in the United States.

This brings up the question of "getting involved." So many people do not want to report anyone they suspect of criminal activity because they do not want to get involved. Then too, some fear personal harm if they "tell on" a suspect. My response to this kind of thinking would be this; if you found out that a certain person had tried to sell drugs of some type to your own youngster you would waste no time in reporting the matter to the nearest law enforcement agency, right? Then, why not report when you suspect someone when your own children are not involved? Other parents share the same problem as yourself, and the same vital concern for their children. Isn't it right then to cooperate with law enforcement?

In one city in the south there was instituted a program called, "Turn In A Pusher." A special phone number was given for the purpose of calling in when anyone suspected a person of selling drugs illegally. Drug parties were reported, in the hope that if police could arrive on the scene while drugs were being used they might have a good chance in tracing the source of supply to the participants. In six months this city had 2,930 calls and as a result of those calls there were many pushers apprehended and taken off the street. This is the kind of citizenship I would like to see active right here in our own community.

Not all pushers look like gangsters from a television series. Some, to look at them, would seem like just ordinary people you see on the street every day. Some are students in high schools and colleges who are interested only in how much money they can make. Most usually a pusher is a drug user supporting his own habit.

Now, if you have that most of my readers will never have occasion to know about a drug pusher. But, some of you, some time will have reason to suspect someone is connected with drugs in some way. That is the time that I want you to make a call to your nearest law enforcement agency and report what you suspect. Don't worry if it turns out to be nothing at all . . . your local police and sheriff's deputies investigate many, many reports of suspected criminal activities which eventually turn out to be "nothing at all." But, if the drug problem is to be whipped, law enforcement officers MUST have this kind of cooperation from the public.

So, if YOU have reason to suspect ANYONE of illegal drug activities BE SURE TO CALL THIS NUMBER, 000-0000. This is how YOU can help stamp out drug abuse!

Next week: More on drugs . . . facts you'll want to know.

Christmas stocking time has arrived and those persons wishing to contribute to this worthwhile project are invited to do so. An early release from Miss Mary Ruth Cameron gives this report on the project.

"We do appreciate the early gifts. This helps us to plan for our people as individuals."

"We do not take the Christmas baskets to the homes of the recipients. We write the families when to come for the baskets and in this way the parents can provide Christmas as they always do. To the children their parents are providing their Christmas and the parents can keep their self respect."

"The Empty Stocking Committee has been providing Christmas - food, toys and clothing - for needy families for 20 years. Those serving on the committee at this time are Miss Helen Richter, Mrs. Jack Landers, Mrs. Marguerite Morrill, Mrs. Ellen Wiemers and Miss Mary Ruth Cameron. TAKE REGIONAL TITLE

Owls peck Jays for 34-7 win

They want tickets

This was the scene Tuesday morning about 8:30 a.m., when Tony Mendoza of the Anvil Herald staff passed by the School Business Office. These Owl fans were after tickets to the Hondo-Refugio quarter-finals contest

Friday night. The first batch of 1500 tickets were sold out before 9 a.m., and it is reported that people were waiting as early as 3 a.m., with blankets and thermos bottles to keep them warm.

When opportunity knocks, grab it quick was the motto of the fired-up Hondo Owls Friday night as they blasted the Needville Blue Jays 34-7 to take the Regional playoff title and advance to quarter-finals.

The Owls grabbed oppor-

tunities on two recovered fumbles, a pass interception and a long punt return to score four touchdowns.

The previously undefeated Blue Jays can lay the blame on the entire Owl squad with heavy responsibility resting on five shoulders, Robert

Blackshear, John Howard, Johnny Abrego, Keith Ligon and Tom Hill.

Blackshear, who has come into his own in the playoff games, set the stage for the battle when he intercepted a stray Jay aerial on the Needville 25-yard line early in

the first frame and returned it all the way for a TD. Hill kicked the extra point.

Keith Ligon, described by Ronnie Ahlhorn of the Houston Chronicle as "a power runner deluxe" scored on runs of 19 and one and gained 68 yards during the game.

Johnny Abrego blasted six yards for his third quarter score and punted out of bounds on the Needville one-yard line to help give the Owls excellent field position on the next exchange.

Howard proved to be a ball hawk Friday night as he pounced on two Blue Jay fumbles, both leading to scores.

Hill, who has given many Owl fans butterflies on his punt catches, made up for all of them as he grabbed a Needville punt on his own 28 yard line and behind excellent blocking went the distance for a tally. He also kicked four-of-five extra points.

Needville scored its lone touchdown in the first frame following Blackshear's TD on the interception. The Jays marched 65 yards with Tailback Vit Wallis carrying the mail for the tally. Thomas Svatek's kick tied the game.

The second quarter belonged to Kebo Ligon, as he scored two touchdowns on runs of 19 yards and one yard. Both were set up by alert defense. The first came after Abrego kicked out on the one and the Owl defense stopped Needville cold and forced them to punt.

Hondo took the ball on the 35 and Kebo climaxed the drive with a 19-yard scamper.

His second tally of the quarter came after Howard recovered a Needville fumble on the Owl 46. The Owls cranked up an eight-play drive sending Kebo over from the one for the score.

Abrego got into the scoring act early in the third quarter after Howard recovered his second fumble at the Jay 12-yard line. He climaxed the drive by plowing six yards for the tally.

Hill did his thing about midway of the fourth quarter as he hauled in a Jay punt on his own 28 and, flanked by a wall of blockers, spend unmolested all the way to paydirt.

On two occasions the Owl defense rose to meet the challenge and stopped Needville on fourth down at their 26 and 30-yard lines.

Penalties at crucial times hurt the Jay drives, with a clipping penalty putting them back on the 12-yard line after the second half kickoff. Then on the first play from scrimmage they fumbled and Howard covered the pigskin. Another penalty, a pass interference call, kept a Hondo scoring drive alive.

Again it was a fine team effort on the part of the Owls that enabled Hondo to grab another Regional title. Although it is difficult to name outstanding defensive players in such a contest the Houston Post's Jimmy Cryer said: "The superb defense of the Owls was led by Blackshear, Hill, Howard, Mark Buescher and Lonnie Knowles."

Unofficial statistics show (Hondo first): First Downs--13-12; Yards Rushing--126-222; Yards Passing--19-20; Passes--1-4-0, 3-10-2; Punts--5-34, 2, 3-34-0; Fumbles Lost--0-2; Yards Penalized--5-50, 9-88.

Mr. and Mrs. Gerald Batto of SA announce the arrival of Varen Chandra, born at the Methodist Hospital on Nov. 19, 1971. She weighed 7 pounds, 11 ounces and is welcomed by sisters, Xyanna and Kilah, and brother, Darden. Grandparents are Pete Kutach of Hallettsville and Mr. and Mrs. Cletus Batto of Castroville.

The Finale

Ten senior girls of D'Hanis High School made a final home appearance with pep-squad and drum and bugle corps at Homecoming when D'Hanis Cowboys won District 27-B over Brackettville, 35-29. The Cowgirls will perform in Alice, Friday night at 8:00 p.m., when the Cowboys will meet Agua Dulce for the Regional 7-B Championship. Last year Agua Dulce beat D'Hanis, 22-

21 in Hondo. Pictured left to right (seated) are Kathy Ritchey, twirler; (standing) Lucy Muniz, Julia Reyes, Bertha Trevino, Bette Zane Zinsmeyer, head cheerleader, Mary Tovar, Hargelia Sandoval, Madelyn Fohn, cheerleader and football sweetheart, and Debbie Cheney, cheerleader. Scoreboard tells all

Enthusiastic over D'Hanis Cowboys winning the District 27-B over Brackettville, 35-29, several of the Cowgirls want you to know that it is true what you see on the scoreboard, and they, along with all Cowboy fans, hope for a win over Agua Dul-

ce this coming Friday night in Alice for the Regional 7-B Championship. Pictured left to right: Peggy Rothe, Cindy Rothe, Shelly Ney, Nancy Hood, Jenny Kile, Margie Cheney, and Beverly Hood. (Photo by Rev. Victor Schmidtzyisky)

D'Hanis seeks revenge

Spending this week in preparation for their season

finale are the D'Hanis Cowboys. Friday night they will play the Agua Dulce Longhorns in Alice at 8 p.m.

The game is a rematch of last year's Region 7-B playoff, which Agua Dulce won in the closing minutes, 22-21. The Cowboys have kept this fact in mind and

are out to avenge the loss.

Reserve tickets are on sale at the office of Supt. Roy Kile. Prices are \$1.50 adults (\$2.00 at gate), and .50 students (\$1.00 at gate).
